

FOR THIS HOLIDAY

I made a contribution in your name...

Among the greatest gifts we can share is a future filled with exploration of healthy mountains, water and habitat. That's why I contributed \$ _____ to the Keta Legacy Foundation, also known as the Mountaineers Foundation, in your name. The Keta Legacy Foundation, also known as the Mountaineers Foundation, has partnered with hundreds of organizations over the past 50 years to support conservation projects throughout Puget Sound. Their 426-acre Rhododendron Preserve in Kitsap County holds one of the largest remaining lowland virgin forests in the Puget Sound Basin. I hope you'll visit to take in the sights of Big Tree Trail and explore some of the 17 miles of streams that provide spawning and rearing habitat to salmon.

Happy holidays!
